

July 31, 2019

Dear [patient name],

**\*\* For more information please visit [www.CapeMedical.com/Enos](http://www.CapeMedical.com/Enos)\*\***

**For your convenience, your patient ID with our organization is: [pt ID]**

**We use email for several of our campaigns, the email address we have on file for you is [email], if this is incorrect or you would like to add your address, please email us at [info@capemedical.net](mailto:info@capemedical.net), include your name and patient ID (included above) and we will add/update your patient records.**

I am pleased to inform you that on July 31, 2019 Cape Medical Supply, Inc. (CMS) acquired the sleep therapy assets of Enos Home Medical (EHM). Our records indicate you are an active patient of EHM and we are ready to continue serving you.

CMS is based in Sandwich, MA and provides services to patients in MA, RI, NH and ME. We have made significant upgrades to the technology platform you are accustomed to; our industry leading payments and resupply platforms, AutoPay and MyResupply, will be immediately available to you, as will our patient app, allowing secure ordering and communications from Apple and Android devices.

**To place or inquire about a resupply order, call our resupply contact center directly at:  
844-461-8720**

We are a sleep therapy specialist and have dedicated our operational focus to building the most successful sleep therapy practice in New England.

“We continue to focus our efforts on building the premiere hospice partnership service in New England,” commented Enos’ President Jon Enos. “Cape Medical has a wonderful sleep therapy program and we are confident our patients will be well cared for by them in the future.”

Welcome to the Cape Medical Supply family – I look forward to servicing you and working with you!

Gary Sheehan, MBA  
President and Chief Executive Officer
