

CAPE MEDICAL  
SUPPLY

# Help your sleep therapy patients Get Better Sleep SwitchToBetterSleep.com

Your patient's ongoing health and sleep therapy success are dependent on the timely replacement of their sleep therapy supplies.

Cape Medical Supply's technology driven process ensures that reordering is seamless and efficient, which means fewer dissatisfied patients struggling to use their therapy.

We offer

- Local professionals to help navigate insurance and reimbursement
- A customized ordering process using a cutting edge platform
- A smartphone app that makes the reorder process even easier

It's easy to get your patients on the path to better health – send them to [SwitchToBetterSleep.com](http://SwitchToBetterSleep.com) today!

**Also, with Medicare's "Competitive Bidding" coming to an end, your patients needn't be stuck with far off providers any longer. Starting 1/1/19 we can transition all Medicare patients onto our resupply services!**
