

## CAPE MEDICAL SUPPLY

### **South Shore Medical Has Partnered with Cape Medical Supply to Provide a Simple and Efficient Sleep Therapy Experience**

You have been diagnosed with Obstructive Sleep Apnea and are being referred for a Positive Airway Pressure device (CPAP or Bi-PAP)

Here is what you can expect next:

1. South Shore Medical will fax your information and prescription to Cape Medical Supply
2. Cape Medical Supply will qualify your order within your insurance company's guidelines
3. Cape Medical Supply will reach out to you to schedule a setup appointment, which will conveniently take place right here at South Shore Medical!

**Cape Medical Supply will be in communication as the process unfolds, please feel free to email with any questions – [info@capemedical.net](mailto:info@capemedical.net), you can also go to [CapeMedical.com/SSM](http://CapeMedical.com/SSM) for more information**

**\*Please note, most insurance companies require prior authorization for these products and services. This typically takes 3-15 business days, depending on the insurer.**
